REPORT
On
Webinar on Website Development

A one-day webinar on Website Development was successfully conducted by the Internal Quality Assurance Cell (IQAC) at Amolakchand Mahavidyalaya, Yavatmal, on 3rd March 2022. Dr. R. A. Mishra, the Principal, and Prof. D. S. Chavhan, the Co-ordinator of IQAC, played key roles as the organizers.

The event featured an insightful talk titled “Website Development and Designing” delivered by Sneha Kadam. Her presentation was conceptual and eye-opening, providing valuable insights into the world of website development. The webinar aimed at enhancing the knowledge and skills of the staff members, who greatly benefited from the event.

Overall, the webinar served as a platform for professional growth, fostering a deeper understanding of website development and designing within the academic community at Amolakchand Mahavidyalaya.
