STUDENTS SATISFACTION SURVEY

Session 2016-2017

The institute conducts student satisfaction surveys and analyses results to identify strength and areas that require improvement to enhance the overall performance of the institute.

- The IQAC of the institute design a questionnaire to evaluate the overall performance of the institute.
- The questionnaire includes general information about the students such as students' current academic year, the programme enrolled in, the number of semesters/years completed at this institute etc.
- The questionnaire includes questions on the quality of teaching-learning, academic resources and infrastructure, students support services, recreational facilities, career and placements, campus facilities and environment, facilities for co-curricular and extracurricular activities and overall satisfaction with educational experience.
- The questionnaire includes both quantitative (rating scale from 1 to 5 or strongly disagree to strongly agree) and qualitative questions (open-ended for suggestions)
- The feedback committee of the institute distribute the questionnaires to students using appropriate channels, such as online platforms or paper-based forms.
- The IQAC and feedback committee ensure that the survey is accessible and user-friendly to encourage higher response rates.
- The IQAC and feedback committee assure students that their responses will remain anonymous to promote honest feedback.
- The feedback committee, once the survey responses are collected, perform a comprehensive analysis of quantitative data using statistical techniques like mean, median, mode, and standard deviation and qualitative feedback by categorizing common themes or issues raised by students.
- The feedback committee based on the analysis, identify the strengths and weaknesses of the educational institute.
- The IQAC, the feedback committee and the head of the institute prioritise the areas for improvement and in consultation with governing body, develop an action plan to address the identified weaknesses.
- The institute executes the action plan by implementing the identified strategies and initiatives such as faculty training, infrastructure upgrades, enhancing student support services or introducing new extracurricular activities.
- The institute communicates the progress and changes to students.

•The institute communicates the survey findings, action plans and subsequent improvements to students.

- The students satisfaction survey analysis report highlights some of the important findings for the academic year 2016-2017.
- In all 689 (UG and PG final year students) from all three streams of Arts, Commerce and Science submitted their questionaries.
- The student opinion about teachers' role in academics, teaching and other co-curricular and extracurricular activities was found excellent in most aspects with some areas of scope for better achievements.
- The teaching and communication skills with subject knowledge and preparedness of most of the teachers are highly appreciated by the students.

The students found satisfied and happy with the institution's role, duties, and responsibilities along with the academic staff also appreciated all the academic, curricular and extracurricular aspects.

However, there are some suggestions from students such as increase in;

- 1) Sealing fans in classrooms.
- 2) Regular unit tests.
- 3) Placement activities.
- 4) ICT tools.
- 5) Games and sports facilities (playgrounds).
- 6) Washrooms and toilets.
- 7) Safe and clean drinking water facilities.
- 7) Computer systems in the library, computer science and commerce department.
- 8) Extra classes for UG and PG.
- 9) Educational Tours, Industrial visit, cultural event to minimize the communication gap among students and teachers and create a healthy atmosphere for teaching-learning process.
