## ANALYSIS OF STUDENTS FEEDBACK

Based on the feedback obtained from 2384 responses during the academic year 2021-22, here is an analysis of key aspects:

### **Teaching Quality:**

- ✓ Teachers' academic qualifications, class control, communication skills, and subject knowledge received positive feedback, with 89.5% either agreeing or strongly agreeing.
- ✓ 85.8% agreed that teachers are sincere, complete courses on time, and are available for students after class.

### **Interest in Subjects and Professional Development:**

- ✓ 86.3% agreed that teachers encourage students to develop an interest in the subject.
- ✓ 82.3% agreed that teachers contribute to developing professional skills and helping students achieve employment objectives.

**Infrastructure and Facilities:**

- ✓ Adequacy of laboratories was positively acknowledged by 86.7%.
- ✓ 85.7% agreed that there are ample opportunities for extracurricular activities.
- ✓ 87.7% expressed satisfaction with the effectiveness of the internal assessment process.

**Campus Facilities:**

- ✓ 85.2% agreed on the regular maintenance of educational infrastructure.
- ✓ Sports facilities received mixed feedback, with 76.5% either agreeing or strongly agreeing.
- ✓ Library facilities and internet availability were positively acknowledged by 81.3%.

**Placement and Guidance:**

- ✓ Employment guidance and placement cell satisfaction showed mixed responses, with 72.1% indicating agreement.

**Staff Relations:**

- ✓ Cordial and cooperative behavior from library, administrative, and laboratory staff was reported by 87.7%.

**Overall Rating:**

- ✓ The overall satisfaction rating indicated a positive sentiment, with 53.1% rating the college as either good or excellent.

In summary, the majority of students expressed satisfaction with teaching quality, infrastructure, facilities, and staff relations. However, areas such as sports facilities and placement guidance could benefit from further attention and improvement. The overall positive rating suggests a generally favorable student experience during the specified academic year.
