A REPORT On

“Lecture Series on Spectroscopy”

The Department of Chemistry in collaboration with the Internal Quality Assurance Cell, organized a comprehensive "Lecture Series on Spectroscopy" from October 26-30, 2021. Dr. R. A. Mishra, Principal of the institute presided over the program, and the inauguration was done by Dr. S. D. Thakur, HOD of the Department of Chemistry, RDIK & KD College, Badnera, Amravati.

The primary objective of the lecture series was to impart theoretical and conceptual knowledge of spectroscopy techniques to faculty, research scholars, and students actively engaged in research across various colleges in the region and university. The event witnessed the participation of 450 students and faculty members through Google Meet.

Distinguished personalities from renowned institutions served as resource persons for the Lecture Series, including Dr A. T. Shinde, Science College Nanded; Dr R. C. Sawant, Dr Ambedkar College, Nagpur; Dr G. G. Mandawad, Maharashtra Udaigiri College, Udgir; Dr S. S. Chobe, MGV and LVH College, Nashik; and Dr T. U. Kendre, Toshniwal ACS College Sengaoon, Hingoli.

The valedictory function on October 30, 2021, featured Prof. Dr. Pradip Tekade from J. B. Science College, Wardha, as the chief guest. Dr Rammanohar Mishra acknowledged and congratulated the organizing team, including Dr T. P. Chavan, Dr Prashant Muskawar, Dr Madhuri Bhade, Dr O. K. Kapse, and Mr Y V. Khandare, for the successful execution of the event.

The Lecture Series on Spectroscopy proved an enriching and collaborative platform for the exchange of knowledge and ideas in the field of chemistry.

The lecture series was scheduled from October 26-30, 2021, with sessions conducted via Google Meet. Participants accessed the video call links on-
