World Environment Day-05/06/2022

On June 5th, 2022, in commemoration of World Environment Day, an online Environment Awareness Quiz was conducted for undergraduate students. The activity aimed to promote environmental consciousness and knowledge among the youth, fostering a sense of responsibility towards our planet. A total of 767 students participated, demonstrating a significant interest in environmental issues within the academic community.

The quiz covered a range of topics including biodiversity, climate change, conservation, and sustainable practices. Participants engaged enthusiastically, showcasing their understanding of environmental concepts and their commitment to preserving our natural resources. Through interactive questions and challenges, the quiz encouraged critical thinking and reflection on personal actions impacting the environment.

This initiative not only raised awareness but also empowered students to become advocates for environmental sustainability in their communities. By leveraging online platforms, the event reached a wide audience, transcending geographical boundaries and promoting global collaboration towards a greener future.

In conclusion, the online Environment Awareness Quiz conducted on World Environment Day successfully engaged undergraduate students in environmental education and activism, fostering a sense of environmental stewardship among the next generation.

“Tree Plantation Activity”

A “Tree Plantation Activity” was organized by the National Service Scheme (NSS) Unit of Amolakchand Mahavidyalaya, Yavatmal on 2nd July 2022. This activity was conducted under the directions of Dr. R. A. Mishra, Principal, Amolakchand Mahavidyalaya, Yavatmal in the campus of the Institute. This activity has been routinely practiced in the institute for a long back, as a part of the development of an eco-friendly campus. Various environment-friendly factors such as water, air, noise, proper land use, parking, and maintenance of flora & fauna, are the crucial aspects of the eco-friendly campus. We are taking care of all these mentioned factors at our college campus. Volunteers of the NSS unit of the college, and concerning faculty were actively involved in this initiative. A total of 25 NSS volunteers actively participated in this initiative under the guidance of Dr. Sachin Wankhede, NSS Program Officer, Amolakchand Mahavidyalaya, Yavatmal.
